Dear

Brother Nick

Following my visit last Friday night, I write to ask you to convey my thanks and appreciation to your Acting Worshipful Master, W. Bro Roger Smith and all the members of Concord Lodge, including yourself, for the warm welcome and fine hospitality extended to my accompanying officer, W Bro Jonathan Roberts and myself when we attended your Centenary celebrations at Severn Street in Birmingham.

The whole affair was a delightful occasion in every way, and it was an honour and privilege for me to be present and preside over the celebrations and to present the Lodge with your Centenary warrant on behalf of our Grand Master, MW Bro HRH Prince Michael of Kent.

What a joy it was to be able to meet face to face once again and to take part in such a celebration followed by a super Festive Board in your magnificent Masonic Hall. I am sorry that your Worshipful Master – W Bro Gavin Cumberland was unable to be with us and ask you to convey my personal best wishes to him.

Can I thank the Lodge for the most generous present of the bottle of gin, the book about my favourite tippie and the packet of 'Black Country' pork scratchings. I have already consumed them and they were delicious.

I do wish the Lodge a happy, enjoyable, and successful next 100 years and from the buzz of conversation and conviviality during the evening I am certain that Concord Lodge will be here in 2121 to celebrate that next milestone. Can I ask you however, to record my apologies for that particular celebration?

My very best wishes and thanks to you all.

Yours sincerely and fraternally,

Stephen Davison
