

Warwickshire Mark Family Lunch 2026

The haunting Gothic ruins and breathtaking landscapes of Guy's Cliffe offer a captivating journey through English history. This storied site has been inhabited since Saxon times, evolving from a secluded hermitage into a grand manor. Its name honours the legendary medieval knight, Guy of Warwick, who supposedly retired to a cave here to live out his final days in prayer.

Sunday May 10th 12:15pm for 1:00pm dining
